Dear Commissioner:

Applicant hereby supplements its reply to the Office Action dated March 19, 2009. This supplement is to present an amended claim 22, based on telephonic interviews with the examiner. Specifically, claim 22 has been amended to delete the reference to “n” line segments and make other changes to claim 22 that clarify antecedent basis for several terms found in the un-amended version of claim 22. By this amendment it is believed that no new matter is added, no change in scope is made and that the amendments are clearly supported by the original specification.

**I. AMENDMENT TO CLAIMS**

Please amend claim 22 as set for the in the following Claims Listing.
